Energized Dining

If you're more than just a fair weather fan, you're sure to become a patron of the new Duffy's Sports Grill in North Miami Beach. With 25,000 square feet of space, the venue features 500 feet of dockage space and ample outdoor seating. There also happen to be those 200 plasma TVs to catch whatever game happens to be in season. As for the menu: think chicken wings, sandwiches and colder-than-cold beer. The deals aren't bad either, with two-for-one happy hour everyday from 4 pm until close. Score!

DUFFY'S SPORTS GRILL was named the official sports grill of the Heat, the Dolphins, the Marlins and the Panthers — all top South Florida teams.
